

General Guidelines

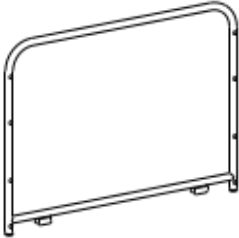

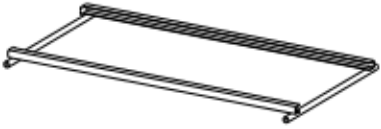

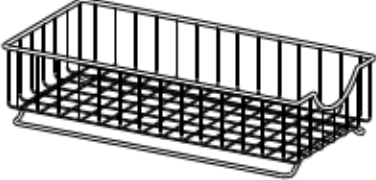

- Please read the following instruction carefully and use the product accordingly.
- Please keep this manual and hand it over when you transfer the product.
- This summary may not include every detail of all variations and considered steps. Please contact us when further information and help are needed.

Notes

- 4 clips under the base enable the product to stack vertically as you like.
- The max. static load capacity of each shelf is 10 kg (22 lb). Please do not exceed its weight limit.

Warnings

- Children are not allowed to climb on or drag the product to avoid potential personal injury caused by the product tipping over.
- Clean the product with a damp cloth or mild detergent; don't use corrosive or abrasive cleaner.
- Place heavier items on the lower shelf to avoid tipping over.
